Mövenpick Asara Resort & Spa Hua Hin is a preferred resort for memorable getaways and personalised luxury in Hua Hin – a destination long famed as a royal retreat on the Gulf of Thailand.

Mövenpick’s commitment to genuine comforts, delivered exceptionally well, is evident throughout the resort’s 96 suites, pool villas and beachfront villas. Its architecture enhances private luxury in spacious family residences, as well as offering a Kids Club, Spa, beachfront swimming pool and restaurants, all attended by individually trained staff.

Mövenpick Asara Resort & Spa Hua Hin is perfectly located just ten minutes to the centre of town. BluPort Hua Hin Resort Mall is a modern, air-conditioned mall just 15 minutes away, offering international restaurants and shops. The traditional daytime Hua Hin Market Village Market is a must-see where guests can buy authentic handicrafts and the region’s freshest fruit 15 minutes away. Each evening the Night Market offers traditional roadside treats and shopping in the cool evening air, only ten minutes’ drive from the resort.

Nine international-quality golf courses within close proximity to the resort show why Hua Hin is ranked as one of the world’s top golfing destinations. Mountain bike routes, from beginner to pro level, lead from near the resort into the hills while an aerial tour over the bay by plane makes any stay a holiday to remember.

The Presidential Villa is a majestic 400 sqm residence located facing the beach, offering endless views across the Gulf of Thailand. The 360 sqm Asara Villa retains the finest touches of Thai elegance, supported by the latest in-room conveniences. Asara and Deluxe Suites offer luxurious comforts in 120 sqm of private space. Large windows in every guestroom offer picturesque views across tropical gardens and lagoons, bathing the art-inspired décor in natural light.

Mövenpick Asara Resort & Spa Hua Hin’s All-Day Dining serves a generous breakfast buffet, a menu of light à la carte lunches and a daily themed buffet dinner. Kampu Lounge is perfect as a pre-dining and leisure bar, with live music in the evenings within a lounge-style atmosphere. Baan Dum offers a selection of local delicacies in a relaxed Thai setting. Guests can also relax at the Beach Lounge for truly chilled out afternoons.

The Asara Spa provides rejuvenating facials and whole body treatments. The Fitness Centre is ideal for cardio and strength training, open daily from 7.00am, or try an invigorating dip into the large beachfront swimming pool. The supervised Kids Club and our canopy-shaded kids’ pool offer younger guests opportunity for hours of creative play.
